Supt. R. H. Bachman,  
Edenton, N.C.

Dear Mr. Bachman:

At this time Mr. Newbold is out of the City, and will be away for several days. Before leaving, however, he wrote Mr. W. F. Credle, who is now at Peabody College, Nashville, Tennessee, to know the status of the White Oak project. He then requested that I write you on receipt of Mr. Credle's letter, giving such information as it would contain.

We are just in receipt of Mr. Credle's reply in which he states that he mailed you check for \$200 at the close of the year with the understanding that the work would be completed, although the building he states is not really entitled to the appropriation which we make on a one-room shop. He also states that there is a misunderstanding, and that \$200 was the maximum amount.

We regret that we cannot be of service to you in obtaining the desired amount from the Rosenwald Fund.

With best wishes, I am

Very sincerely yours,

Stenographer.
